Description: The news about the cross-generational gaming have been circulating around the social media with the report that the new upcoming game by Ubisoft Assassin's Creed Unity has many similarities with its previous title Assassin's Creed IV Black Flag. Assassin's Creed Unity is the 5th installment of this popular Assassin's Creed game series. The game was developed by Ubisoft Montreal, a subsidiary of Ubisoft. The game is developed by Ubisoft in cooperation with Canadian game development studio Dessau Studios. The game will be out on PS3, PS4, Xbox 360 and Xbox One with its digital release in all the four platforms and as for the Microsoft Windows PC version it will be released sometime in the year 2016. The full version of the game Assassin's Creed Unity was first revealed at E3 2014 and the game was officially announced and confirmed on the Ubisoft press conference at E3 2014. The game will feature a mission that will take place in the year 1757 and the player will get to take on the role of Paulinho, a young assassin in the 18th century. The game has been developed by Ubisoft Montreal with the assistance of Dessau Studios. The game offers players to live the life of a French-Indian assassin in the city of New Orleans. The game was highly anticipated and received quite a lot of positive feedback from the critics and the general public. The game Assassin's Creed Unity PC Highly Compressed Free Download.
